

Your Personal Life: Measuring What Your Specific Body Needs to Live Lean, Long Strong and Better, 2006, 329 pages, Greg Tefft, 0972986626, 9780972986625, Angel Mind, 2006

This is a guidebook to the final mega-trend in health: personalized nutrition, the precision use of nutrition for the purpose of healing, permanent weight loss and living a long healthy life. Dr. Tefft describes how he has helped develop a system of nutritional testing where each individual body chemistry is digitally measured and analyzed for its own exact chemical make-up of foundational minerals, vitamins and toxicities and then corrected for imbalances, to each persons specific need. This is basic information about how the personalized nutrition approach to health enables your own body chemistry to restore balance to your bodys mineral and vitamin excesses, deficiencies, ratio imbalances and toxicities, the Building Blocks of health or illness. Finally, were introduced to the most naturally intelligent way to self-apply nutrition based on report findings from the most comprehensive digital measurements through federally supervised and medically approved laboratories. Dr. Teffts teachings, health guidance and targeted nutrition system have been bringing people into the prime of their greatest health. This book is at last, an end to healing and weight-loss guesswork.
